MEMORANDUM FOR THE SECRETARY OF DEFENSE

Subj: TALENT-KEYHOLE (T-KH) Clearances

Encl: (1) Proposed T-KH Billet Structure for the Navy

1. Pursuant to your request at the meeting of the Armed Forces Policy Council on 27 September, the proposed T-KH billet structure for the Navy has been re-examined to determine the irreducible minimum necessary to commence exploitation of this valuable material.
2. Enclosure (1) sets forth this minimum figure with pertinent justification. Further recommendations will be submitted at a future date on the basis of experience.
3. It is recommended that the Secretary of Defense approve enclosure (1).
